The opening number was a piano duet by Miss Amanda and Edwin Fischmann. This was followed by a pleasing sketch, "How the Story Grew," in which the Misses Frieda Wilder, Luella Fischmann, Flora Otterstein, Hilda Behse, Eloise Peterson, Amanda Fischmann and Ruth Schenkel took part. Oscar Peterson gave a humorous reading, "Oh, these Women." Miss Clara Fischmann rendered two vocal solos. Fifty members of the 101 Bible class of the Methodist Memorial church enjoyed the fifth annual banquet of the class Tuesday night in the entertainment parlors of the church. ## STARS TIE FOR FIRST PLACE IN H. S. LEAGUE

**Standings of the Teams.**  
Dodgers ..... Won 2 ..... Lost 2 ..... Pct. .500  
Naps ..... 2 ..... 2 ..... .500  
Stars ..... 2 ..... 2 ..... .500  
Pirates ..... 1 ..... 3 ..... .250

Knocking three pitchers out of box and then suffering defeat, was the ill-fate of the lowly Pirates yesterday afternoon when they were defeated by the close score of 13 to 12. The win now makes a three-cornered tie for first place.

Batteries for the Stars—Williams, Mehlberg, Minzie and Seifert; for the Pirates—Van Winkle, Cud-dahy and McMillan. The Stars had a big lead until the sixth inning when they put Mehlberg in the box. His offerings were well taken by the sea rover, who secured eight runs off him. The protested game between the Dodgers and Naps will be played off Thursday afternoon on the Wells st. diamond.

This means of bringing the business men into closer fellowship is one of the most popular ever tried out in Mishawaka, and conduces to a spirit of good fellowship which cannot but be helpful to every one concerned in the welfare of the city. Mushrooms, on account of the amount of nitrogen they contain, approach nearer to animal food than any other vegetable product. An analysis made by Prof. Atwood shows that mushrooms contain 2.5 per cent proteins.

## Turks Aiding Germans on the Yser

TURKISH INFANTRY.

In an effort to break through the British lines on the Yser and to get to Calais, the Germans have brought their Turkish allies from the Balkans.

The accompanying photograph shows a detachment of Turkish infantry being withdrawn from the front in Asia Minor preparatory to entraining for the western front. Note that the Turkish troops are wearing steel helmets of the German type.

## CONNECTIONS BROKEN DOWN AS WAR RESULT

LONDON, May 17.—The war is breaking down many conventions in British high society. Girls of high degree ride daily on surface cars and motor buses, scrub and cook or wash dishes in canteen or hospital, do their own marketing, carry home parcels, and—even in Park Lane—post their own letters instead of ringing for footman or page boy. The daughters of many splendid houses are not ashamed of themselves to attend the door, or to go out hatless and coatless into the street, a proceeding which would have been considered beneath their dignity in pre-war days.

## AN AMERICAN "SMOCK MAR-

William C. Prime, whose book of travel, "Along New England Roads," has just been reprinted, told of a curious incident which took place in Vermont during the latter part of the 18th century. Major Moses Joy was married to Mrs. Hannah Ward, widow of William Ward. This William Ward had died insolvent, leaving debts of considerable amount. At the second marriage, Mrs. Ward stood in a closet with no clothing on, and held out her hand to Major Joy through a hole, and the ceremony was thus performed. This is the only instance I have ever met with in American history of what in England has been variously called a "smock marriage," or a "marriage en chemise." The idea was, and in parts of England still is prevalent, that if a husband takes a wife without clothing on her, he avoids a legal liability to pay her debts, or the debts of a former husband, some of whose property she might bring with her to her new alliance.

The first French settlement in Minnesota was made in 1727, when Rene Pouchet, Sieur de la Perriere, erected Ft. Beauharnais on the west shore of Lake Pepin, as the widely inundated Mississippi valley is there called over a length of many miles.

## KOKOMO MAN AND WIFE ARE HELPED

Mr. and Mrs. Milt Vandebur Tell of Their Relief Through Tanlac.

Kokomo, Ind., May 16.—Mr. and Mrs. Milt Vandebur, well known Kokomo people who live at 619 West Markland avenue, have both been relieved of troubles through the use of Tanlac, the Master Medicine. Mr. Vandebur, who is a drayman, recently said:

"My wife and I have suffered from stomach trouble for a long time. It seemed that our food formed in a hard knot in the pit of the stomach. We also had headaches and were subject to dizzy spells that were alarming. "Since taking Tanlac both of us are greatly improved in every way. Our appetites are better and we seem to be digesting our food properly. The pains in the stomach have disappeared, the headaches have vanished, and the dizziness has been relieved. We certainly can recommend this wonderful medicine." Thousands of Indiana people have derived benefit from Tanlac and given testimony similar to that of Mr. Vandebur regarding the merits of the Master Medicine. Tanlac is excellent as a tonic, invigorant, appetizer and blood purifier, and is beneficial for stomach, liver and kidney troubles and affections of the mucus membranes.

Tanlac is sold exclusively in Mishawaka at the Red Cross Pharmacy. Advt.
